In the Matter of:

Boles, Ar. 72926
Post Office State ZIP Code

Docket No: A2012-37

Mack Rose, Petitioner(s)

PARTICIPANT STATEMENT

1. Petitioner(s) are appealing the Postal Service's Final Determination concerning the Boles post office. The Final Determination was posted September.
(date)

2. In accordance with applicable law, 39 U.S.C. § 404(d)(5), the Petitioner(s) request the Postal Regulatory Commission to review the Postal Service's determination on the basis of the record before the Postal Service in the making of the determination.

3. Petitioners: Please set out below the reasons why you believe the Postal Service's Final Determination should be reversed and returned to the Postal Service for further consideration. (See pages of the Instructions for an outline of the kinds of reasons the law requires us to consider.) Please be as specific as possible. Please continue on additional paper if you need more space and attach the additional page(s) to this form.

I mail and receive a lot of packages and it would be a big inconvenience for me to have to go to the Waldron Post Office to make sure I had the correct postage on packages I am mailing.

Some of my friends and neighbors would be effected even more than I would be. I have some friends that are elderly and

can't drive anymore but are able to walk to the Post Office. That means that if they went to the Post Office someone would have to drive them to Waldron.

Also some of my friends live up to 15 miles South of Boles which would be 25 miles to Waldron. That would be a 50 mile round trip to the Post Office.
